Organized By  
Cardiac Rhythm & Intervention Society

"THE CITY BEAUTIFUL," CHANDIGARH  
WELCOMES  
YOU!

**ISC-CRISCON** 2025

# Welcome Message

Dear Friends and Colleagues,

Greetings from the Organising Committee of the ISC-CRISCON 2025!

It gives us immense pleasure to welcome you to the joint conference organized by the **Indian Society of Cardiology (ISC)** and the **Cardiac Rhythm & Intervention Society (CRIS)**. The event will be held in the vibrant city of Chandigarh from **September 19 to 21, 2025**.

Our conference is dedicated to advancing the field of cardiology by bringing together experts to share knowledge, insights, and innovations aimed at improving patient care. This collaborative event focuses on transforming cardiac care through cutting-edge research and best practices.

We aim to deliver a robust scientific program to inspire, educate, and empower attendees. Sessions will focus on the latest trends in cardiac rhythm management, interventional cardiology, and cardiovascular health breakthroughs.

The highlights of the program include:

- Keynote addresses by leading experts in cardiology and cardiac rhythm management.
- Case-based discussions, symposia, and debates on hot topics in cardiac care.
- Opportunities for networking and collaborations with renowned professionals.

Chandigarh, known as “The City Beautiful,” is not only a modern marvel of urban planning but also a gateway to India’s rich culture and heritage. Its lush greenery, iconic architecture by Le Corbusier, and warm hospitality make it an ideal destination for academic and professional gatherings.

While you attend this academic feast, we encourage you to explore Chandigarh’s scenic beauty, vibrant culture, and exquisite cuisine. The Rock Garden, Sukhna Lake, and Rose Garden are just a few attractions that will make your visit memorable.

We look forward to welcoming you to **ISC-CRISCON 2025**—a gathering of like-minded professionals committed to shaping the future of cardiology and cardiac rhythm care.

Warm regards,  
**Organising Committee**
